'Let Your Light Shine' Matthew 5.16

News from the heart of our school

This week's news....

We are flying through this term and the events are coming up thick and fast. The next two weeks have bank holiday Mondays as we have May bank holiday and we celebrate the coronation of King Charles III.

Next week, I hope you all enjoy a shorter week with your families and friends (and we all hope for super weather so that we can all get outside on the Monday!)

The week beginning 8th May is our KS2 SATs week. Our Year 6 students will be sitting their tests Tuesday to Friday. The staff have been super at keeping things as normal as possible, managing expectations and keeping everyone calm. Although it is an important week for those students it is important for them to feel calm and ready-not at all worried or anxious. There will be a note coming out for those year 6 pupils regarding a breakfast and starting the day in school earlier and prepared. Your children have worked for years for this moment-not just the last few weeks and I have always been an advocate of doing your best! We will be encouraging our children to come in with a positive attitude and do their very best-no one can ask for anymore!

Last night our incredible choir entertained the crowds at the Raunds

Town Assembly. They were fabulous-our young stars shone and their light did shine very brightly! We performed two songs-and closed the Primary Phase part of the show. It was lovely to watch the young people perform with such enthusiasm and perfection. They were rightly praised by those that came to watch and the staff were all super proud! Thank you to those parents who came along and thank you to all members of staff who stayed to support! A big well done goes to Miss Whalley for her organisation of the choir-we rocked! There are some pictures from the show attached.

A heads up-the trust has given kind permission for a school wellbeing dog to be introduced to the school community. Sky has worked with me for nearly three years-from a puppy. He has worked with children in different settings and he may be able to add a little difference to some pupils in our school. He won't be here every day as he has other schools to work in and other pupils to support. He is a very kind and caring animal-who has been known to really support those pupils (and staff) who could benefit from the feel of fur! He is only used with pupils who we have checked with parents-to ensure permissions and allergies etc. however he will be introduced to all students so

that they know who he is and can see how he is used.

At all times he is supervised with the pupils and the young people are taught how to work with him too!

He's made a big difference to children in my last school and I think there are some children in our schools who could benefit from his nurture!

See you at the gate,
Mark Currell
Executive Principal

Next week's dates....

W/B 1.5.2023

Monday: BANK HOLIDAY-school is closed

Tuesday:

Wednesday: Pro-strike Fundraiser all day

Thursday: Bikeability for year 4-bring your bikes!

Friday: Year 5 swimming, Celebration Assembly

Attendance.
