News from the heart of our school

This week's news....

Your children are amazing! This week has been a long week for our year 6 students. They have sat 6 testing tests that have challenged them to show the very best that they can be.

Your children have been magnificent in their attitude and approach. They attacked the test with confidence and gave it their all. I could not be prouder of their hard work and positivity. Whatever their results may be they can be proud that they did give it their all and tried their very best!

This level of hard work and commitment will hold our young adventurers in good stead as they carry on their careers in school and then into the world of work. They had a superb attitude throughout.

A big well done to our children and an incredible thank you to our fabulous staff who have prepared the children so well and then supported the children perfectly throughout the week. The team was super. This was the culmination of hard work over several years-not just this year!

See you at the gate,
Mark Currell
Executive Principal

Elite Football Coaching

This May Half Term , we are bringing Northamptonshire our **EFC May Series Football Development Camps.**

Elite Football Coaching's Football Development Camps this half term offers children the opportunity to develop & evolve through technical and tactical sessions, that maximise their football development.

Players will experience high interaction with a high amount of touches on the ball throughout the development day. They will experience technical and tactical development through opposed and unopposed phases throughout the day.

All players will be challenged in a fun, engaging and competitive environment all while learning new skills and techniques.
