## 1. Introduction

St. Peter's CE Academy considers that Relationships Education (including Sex Education) is an integral part of the Personal, Social and Health Education (PSHE) and Science curricula. We aim to offer pupils a carefully planned programme on human development, relationships, sexuality and family life within a safe, comfortable atmosphere and in a mutually respectful relationship between teacher and pupil. The programme is set within a moral framework and is matched to the pupils' level of maturity.

This policy reflects the Department for Education's guidance on:

- Relationships Education (statutory)
- Relationships and Sex Education (RSE) (non-statutory for primary schools)

As a church school we undertake to follow the principles in the Church of England *Charter for faith sensitive and inclusive relationships education, relationships and sex education (RSE) and health education (RSHE)* and draw on the advice given in the Church of England document 'Valuing All God's Children: Guidance for Church of England schools on challenging homophobic, biphobic and transphobic bullying.'

Our school vision 'Let Your Light Shine' Matthew 5:16 enables our school community to celebrate each child as an individual and to support them to nurture their uniqueness, passions and talents. Our key values of Friendship, Respect and Compassion are an integral part of the PSHE and RSE curriculum.

## 2. Aims

The aims of relationships and sex education (RSE) at St. Peter's CE Academy are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

## 3. Statutory requirements

St. Peter's CE Academy must provide relationships education to all pupils as per section 34 and 35 of the [Children and Social work act 2017](#).

When teaching RSE, we are required by our funding agreements, to have regard for statutory guidance from the DFE issued under section 80A of the [Education Act 2002](#) and section 403 of the [Education Act 1996](#).

This policy has been written in line with the [Equality Act 2010](#) and its principles and laws.

At St. Peter's CE Academy, we teach RSE as set out in this policy.

#### **4. Definition**

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

#### **5. Curriculum Organisation**

At St. Peter's CE Academy, we use the Jigsaw scheme of learning to teach PSHE including Relationships and Sex Education.

Our long-term curriculum map is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils.

If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

Primary sex education will focus on:

- Preparing boys and girls for the changes that adolescence brings
- How a baby is conceived and born

#### **6. Delivery of RSE**

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

Pupils in Year 6 may also receive stand-alone sex education sessions delivered by a trained health professional.

Relationships education at St. Peter's CE Academy focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances. Families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

The programme will be delivered in a non-judgemental, factual way, using the correct medical terms where appropriate (for example when teaching about external body parts). School staff will not express or be expected to express their personal views or beliefs when teaching RSE.

## **7. Roles and responsibilities**

### **7.1 The Principal**

The Principal is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory/non-science components of RSE (see section 8).

### **7.2 Staff**

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory/non-science components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the Principal.

It is the responsibility of ALL teaching staff to deliver the RSE curriculum.

### **7.3 Pupils**

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

### **7.4 Pupils with SEND needs**

Relationships Education, RSE and Health Education will be accessible for all pupils in line with government guidance. Lessons will be accessible via high quality teaching that is differentiated and personalised to the needs of the children.

As a school, St. Peter's CE Academy understands that due to the nature of their SEND needs, some children may be more vulnerable than others. These factors will be considered when planning and teaching RSE making sure that lessons are taught in a sensitive, age-appropriate and developmentally appropriate manner and delivered with reference to the law.

St. Peter's CE Academy are mindful of preparing their pupils for adulthood outcomes, as set out in the SEND code of practice, when teaching RSE to pupils with SEND.

## **8. Parents' right to withdraw**

Parents have the right to withdraw their children from the non-statutory components of sex education (intimate relationships and sexual health) that are not covered in the science curriculum.

Parents do not have the right to withdraw their children from relationships education.

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the Principal.

Alternative work will be given to pupils who are withdrawn from sex education.

If parents/carers have any concerns or special circumstances the school should be aware of, or would like any further information about the curriculum, please contact your child's class teacher or the PSHE Lead.

## **9. Training**

Staff are trained on the delivery of Relationships and Sex Education (RSE) as part of their continuing professional development (CPD).

The Principal will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

## **10. Monitoring arrangements**

The delivery of RSE is monitored by the PSHE/RHE/RSE Subject Lead, through:

Planning, book looks and learning walks.

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by PSHE/RHE/RSSE Subject Lead annually. At every review, the policy will be approved by Principal and CEO.

## **11. Safeguarding and child protection**

St. Peter's CE Academy acknowledges that RSE is crucial for creating a culture of safeguarding within the school and for meeting our statutory obligations as outlined in Keeping Children Safe in Education.

RSE helps children to understand the difference between healthy and abusive relationships and to understand how to get help if they are experiencing abuse, or have experienced, abuse.

We recognise that when discussing some of the issues RSE covers, some pupils could disclose abuse or other harmful experiences. In cases of a disclosure, all staff have statutory training around child protection and will follow the schools safeguarding policy and procedures.

## **12. Related Policies**

This policy should be read in conjunction with:

- Safeguarding and Child Protection Policy
- Keeping Children Safe in Education
- Equality Information and Objectives
- Anti-Bullying Policy
