St Peter's C E Academy Provision:

Our school is delighted to offer excellent teachers with different specialisms and experience. St Peter's CE Academy prides itself on its inclusive environment, and being able to support children with their social, emotional and mental health needs. We have a proven track record of supporting children with complex needs within our school in a caring and nurturing environment.

Our Core Offer:

St Peter's CE Academy is able to offer a variety of educational and well-being support systems.

These include:

- Access to support services provided by Nene Education Trust.
- Higher Level Teaching Assistant who is available to work across all year groups.
- TAs trained in supporting a range of disabilities both educational and medical.
- Access to outside agencies including 0-19 Service (School nurse) .
- SALT trained TA
- SEMH support through nurture groups
- ELSA support

Accessibility:

St Peter's CE Academy is situated within the town of Raunds with direct access to neighbouring Rushden and Wellingborough. The town is situated to the south of the A45 trunk road easily linking with the A14. The school building and grounds are wheelchair friendly. We have a wheelchair-accessible toilet centrally situated. Access to the car park for the disabled may be available by prior arrangement.

SEN 2022-2023

St Peter's currently have 20 children being supported who are on the Special Educational Needs Register with a further 8 being monitored for progress. (12.7%) as of December 2023

- Equality and Diversity
- Child Protection and Safeguarding
- Sex and Relationship policy
- Anti-bullying policy
- Admissions Policy
- Accessibility

Links With The Local Community.

St Peter's CE Academy works closely with local business and support organisations.

The school has its own wrap-around care to provide before and after school care to children from both the school and Park Infants. The 'Shine Club' is open from 7.40am – 5.30pm throughout the school year.

The school has close links within the area with local child-minding services that provide care for children that attend our school.

St Peter's offers after school activities to the students to cater for a variety of outside interests.

The school is keen to promote its relationship with St Peter's Church, local business and organisations to bring a variety knowledge and support to our school community.

Our After School Clubs are accessible to all our students and everyone is encouraged to participate in our sessions to support their self-confidence and provide further opportunity to develop their social skills and friendships.

The school maintains up to date contacts with Parental Support Groups that may be of benefit to our students and their families.

St Peter's CE Academy is part of the Nene Education Trust and this enables the school to have direct links with, and a seamless transition into, our local senior school.

SEND Environment

St Peter's CE Academy provides a whole school inclusive environment where everyone is included in all parts of the curriculum and extra-curricular activities regardless of their abilities.

Where appropriate a risk assessment will be carried out to ensure their safety and security at all times.

The children are involved in developing the extra-curricular activities and are able to share ideas of how they can directly help and support others to be involved.

Working Together

St Peter's CE Academy enjoys working together with parents and carers to ensure each and every child can access the curriculum and enjoy school life.

The child's class teacher works closely with the child's family to liaise and keep them informed of their progress by agreeing appropriate targets in line with the SEN Code of Practice Graduated Approach.

Our students with Special Educational Needs (SEN) will have their targets recorded within their Individual Education Plan (IEP) and these are reviewed each term to monitor their clear progression path.

The school has a Qualified Special Educational Needs Co-Ordinator (SENCO), and Assistant Inclusion Manager on site to oversee the progression of the individual children, and support their families.

Parents are encouraged to attend our Parents Evenings where they can discuss their child's progression with the Class Teacher and Senco.

School Transition

Throughout your child's time at St Peter's Academy the school will be working closely with your child to prepare them for change.

Transitions into the next year group and key stage are planned carefully and individual children may need a more gradual approach to their transition. This may include extra visits to their new school and individual time to get to know key personnel.

When planning the transition to the next school we work closely with the school and support staff to ensure a well-planned and successful move.

We work towards a smooth transition for all children and where individual children may need extra support, we plan a programme in advance with the new school and family to make sure that the children are comfortable with the process.

When a child is transfer into St Peter's CE Academy, a meeting between everyone involved is held to identify where we can help the move and support the family.

Support Programmes

At St Peter's CE Academy we are able to be flexible to the needs of individual children and be creative when trying to support them.

We are currently using a variety of programmes to include:

- 1:1 Protective Behaviours
- Individual interventions
- Small group interventions
- Nurture and well-being support
- ELSA sessions
- Literacy interventions
- Maths interventions
- Phonics interventions (Little Wandle)
- Nessy screening, reading and spelling intervention

We are also able to access outside agencies programmes to help us to support you within school or at home.
