

St Peter's C.E. Academy

16th April 2021

Dear Parent / Carer,

We are excited to offer a range of sporting after school clubs starting from the week commencing 26th April. After a year of uncertainty, we are delighted to be able to promote physical activity once again for the remainder of the academic year. From September, we aim to increase our enrichment programme once restrictions are lifted.

These sessions will be available as lower and upper key stage groups. This means that years 3 and 4 will be grouped together and years 5 and 6 will be together. Social distancing measures will be in place to protect our current structure of year group bubbles throughout the school day.

All activities will be offered at £2 per session and will be payable in advance for the whole block of sessions. Places are limited per sport due to COVID restrictions and will be allocated via the booking system.

Some sports will run for 5 weeks and some for 8 weeks, depending on the provider.

Places can be booked via the direct link for football or basketball, or via Wisepay for dance and cricket/rounders.
