

25th June 2021

Dear Parents / Carers

As we near the final three weeks of the academic year, I wanted to update you on the timings and activities taking place before we break up for the Summer holidays.

Monday 28th June to Friday 2nd July – STEAM Northants

Year 6 children will be participating in an exciting week of virtual activities to inspire and enthuse young people in all careers and subjects around STEAM (science, technology, engineering, arts and maths). This event hosted by the University of Northampton and will support our children to consider future careers in one of the STEAM subjects.

Tuesday 29th June – Sports Day

All year groups will participate in an annual sports day event across the school day. Year 5 and 6 will take part in year group bubble activities in the morning and Year 3 and 4 will take part in year group bubble activities across the afternoon.

Unfortunately, we are unable to invite parents to this event due to current COVID guidance. We understand that this is disappointing for parents, but we want reduce any unnecessary risks so close to the end of term. We will be filming each event and will share links to the races separately.

Please make sure your child wears their PE uniform on this day. If we need to postpone Sports Day due to the weather, we will send a WisePay message out and re-organise it for the following Tuesday 6th July.

Friday 2nd July - Whole School Transition Day

The children in Year 3, 4 and 5 will take part in transition day where they will spend the day with their new class teacher. On Thursday 1st July, we will send out a further update to confirm who your child's new teacher will be and which classroom they will need to go to.

Our current Year 6 children will need to attend school as normal. We have arranged some external sports coaches to lead some basketball and tennis sessions for the day, which will take place at Manor School. The children will need to arrive in school at normal time and gather in the mobile classrooms. Please make sure your child wears PE uniform on this day. The children will be split into smaller groups and will participate in activities on rotation across the school day. They will finish at the normal time and can be collected from the mobile classroom (if required).

Monday 5th July – Year 4 and 5 Trip to Hunstanton

The children in Year 4 and 5 will be travelling in two separate coaches to Hunstanton maintaining their year group bubbles. They will spend the majority of the day outside, except for their exclusive visit to the Sealife Centre.

St Peter's C.E. Academy

Friday 9th July – Year 3 Trip to Irchester Country Park

The children in Year 3 will be travelling in two separate coaches to Irchester, maintaining their year group bubbles. They will spend the majority of the day outside, exploring the park and completing some fun activities.

Monday 12th July – Annual Reports

Annual reports will be sent out to parents which will reflect their child's learning across the academic year.

Tuesday 13th July - Year 6 Trip to Irchester Country Park

The children in Year 6 will celebrate part of their final week at Primary School participating in a fun day out at Irchester. They will spend the majority of the day outside, exploring the park and completing some fun activities.

Thursday 15th July – Year 6 Leavers Service

We will be celebrating the end of Year 6 with a Leavers Service at St. Peter's church. Originally, we had planned the event in church so that parents could attend in a COVID secure way. We are just liaising with the church to confirm the timings of this event, to see if we are able to still invite parents to this event. We will send a separate update to Year 6 parents only next week.

We are also planning some outdoor discos to celebrate the end of the term. Once we have dates confirmed, we will send this information out to you.

Kind regards,

J Casswell
