This policy is written in line with the Christian values and ethos of our school.

“Let Your Light Shine” Matthew 5:16.

1. Aims

1.1 St Peter's CE Academy is committed to safeguarding and promoting the welfare of all children to ensure they 'let their light shine'.

We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other young people. This is known as 'peer on peer abuse' or 'child on child abuse'.

The school is committed to preventing peer on peer abuse and will protect children that may be suffering, or at risk of suffering harm perpetrated by another child. We recognise that peer on peer abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”. We maintain an attitude of ‘it could happen here’ and act in the best interests of the child at all times.

2. Definitions

2.1 The following terms and associated definitions will be used throughout this policy.

- **‘Staff’ or ‘members of staff’** refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of the school.
- **Child/children** refers to any young person under the age of 18.
- **Safeguarding and promoting the welfare of children** is defined as; protecting children from maltreatment; preventing impairment of children's mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.¹
- **Peer on peer abuse (or child on child abuse)** refers to any scenario where a student abuses another student. It can take place online or offline. For the purposes of this policy, a child is anyone under the age of 18. Whilst the focus of the advice is on protecting and supporting children, schools should of course protect any adult students and engage with adult social care, support services and the police as required. The children involved do not have to be the same age and the perpetrator may be older or younger than the victim.

Peer on peer abuse (or child on child abuse) could include (but is not limited to);

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence, such as rape, assault by penetration and sexual assault;
- sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse;

¹ Keeping Children Safe in Education (2021)

- upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
- sexting (also known as youth produced sexual imagery [Sharing nudes and semi-nudes: advice for education settings working with children and young people - GOV.UK \(www.gov.uk\)](#))
- initiation/hazing type violence and rituals.²
- abuse within intimate personal relationships and/or teenage relationship abuse;

3. Purpose

3.1 This policy has been written to:

- ensure that the St Peter's CE Academy follows all statutory guidance and advice relating to peer on peer abuse;
- provide stakeholders with information about how the school works to prevent peer on peer abuse;

7.3 We recognise the gendered nature of peer on peer abuse. However, all staff will be trained to understand that all peer on peer abuse is unacceptable and will be taken seriously.

³ For further guidance, see '[Sexting: How to respond to an incident](#)', UKCIS.

8. Procedures to minimise peer on peer abuse

8.1 The school have a responsibility to minimise opportunities for peer on peer abuse. We do this by:

- Follow all procedures set out in the school Behavior Policy.
- Early identification of concerning behaviours.
- Report concerning behaviours on My Concern platform.
- Support families with early help.
- Address issues with lessons from within the curriculum at the time of the need.

8.2 We recognise that some children may be more vulnerable to peer on peer abuse than others. For example, children who have already experienced abuse, those that have special educational needs or disabilities (SEND), children living in care and children who are LGBTQ+ and/or have other protected characteristics under the Equality Act 2010 may be more likely to face peer on peer abuse than other children. We work to protect children with additional vulnerabilities by:

- Offering pastoral support.
- Providing interventions such as Lego therapy and protective behaviours.
- Using signs of safety to gather the voice of the child.
- Providing nurture groups, including Draw and Talk therapy.

8.3 We address peer on peer abuse through our curriculum, in line with **Relationships Education, Sex and Relationships Education and Health Education** as well as Christian collective worship. By the end of Year 6 the PSHE and RHE curriculum would have covered the following aspects:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe
- Sex education

8.4 Further supporting materials and resources are sent to parents via school communications to support the whole school community with safeguarding.

9. Responding to concerns or disclosures of peer on peer abuse

9.1 St Peter's CE Academy takes peer on peer abuse seriously and will respond to all concerns or disclosures of peer on peer abuse immediately.

9.2 If a member of staff has a concern about peer on peer abuse, or if a child discloses peer on peer abuse to them, they will refer this to the Designated Safeguarding Lead immediately, in line with the school's Safeguarding and Child Protection policy.

9.3 Upon receiving a concern, report or disclosure of abuse, the Designated Safeguarding Lead will decide what further action is necessary. This will vary depending on the type of peer on peer abuse and the severity of the incident/s disclosed. The Designated Safeguarding Lead will take contextual factors into account when managing the report.

9.4 The Designated Safeguarding Lead will always consider the following;

- the wishes of the victim in terms of how they want to proceed. The victim will be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
- the nature of the alleged incident(s), including: the level of coercion or threat, whether a crime may have been committed and consideration of harmful sexual behaviour;
- both the chronological and developmental ages of the children involved;
- any power imbalance between the children, including consideration of the age of children and whether children have special educational needs or disabilities;
- the impact on the victim;
- if the alleged incident is a one-off or a sustained pattern of abuse; and
- if there are ongoing risks to the victim, other children, adult students or school or college staff.

9.5 Depending on the nature of the incident/s, the Designated Safeguarding Lead may:

- Seek further information from those involved and witnesses.
- Undertake a risk assessment to ascertain steps necessary to safeguard the victim, alleged perpetrator, adults and other children.
- Decide to manage the concern internally.
- Organise a meeting with relevant staff and agencies to assess risk and agree a safety plan.
- Refer the victim and/or the perpetrator to local services for Early Help.
- Refer the case to Children's Services via a MASH referral.
- Liaise with social workers working with children involved (if applicable).
- Make a referral to the police.

9.6.1 The school recognises that peer on peer abuse has a significant impact on young people and victims are likely to need ongoing support.

9.6.2 Appropriate support will be put in place for victims of peer on peer abuse whilst investigation is taking place and following the initial response. Support will continue for as long as it is needed and will be reviewed regularly to ensure the victim is receiving appropriate care.

9.6.3 The school will do everything we can to maintain the victim's normal routine.

9.6.4 The school will do everything we can to protect the victim from further bullying and harassment as a result of their disclosure.

9.6.5 Support will be given via:

- Pastoral support
- Interventions such as Lego therapy and protective behaviours
- Signs of safety gathering the voice of the child
- Nurture groups such as draw and talk
- Other appropriate interventions specific to the need

9.7 Supporting the alleged perpetrator

- 9.7.1 The school has a responsibility to ensure that an alleged perpetrator continues to receive a suitable education and will consider a range of options in continuing educational provision. Options may include:
- 1:1 or small group work
 - Pastoral support
 - Home learning
 - Reduced timetable
 - Internal isolation
- 9.7.2 We recognise that children who perpetrate peer on peer abuse may be being abused themselves. The school will continue to safeguard the alleged perpetrator and provide them with support.
- 9.7.3 A plan to reduce the risk posed by the alleged perpetrator will be put in place as part of the risk assessment made following the alleged abuse.
- 9.7.4 If the alleged perpetrator moves to another setting, the Designated Safeguarding Lead will share information as necessary to safeguard the individual and other child at the new setting.
- 9.8 The Designated Safeguarding Lead will take advice from children's social care, specialist services and the police as necessary.
- 9.9 The school may choose to impose a sanction or punishment on the alleged perpetrator following an incident of peer on peer abuse. In this case, we will follow the school Behaviour Policy in determining the level and severity of sanction.
- 9.10 Where a child is cautioned or receives a conviction related to an incident of peer on peer abuse, the school will refer to KCSIE Part 5 for guidance.

10. Local Arrangements and Making Referrals

- 10.1 The school adheres to local safeguarding arrangements, as outlined by the Northamptonshire Safeguarding Children Partnership.
- 10.2 For further details of how the school works with partner agencies in responding to safeguarding incidents (including incidents of peer on peer abuse), please see the school's Safeguarding and Child Protection policy.

11. Record-keeping

- 11.1 Incidents are reported to the class teacher, shared with parents and the school leadership team. The incident would be logged on My Concern, the safeguarding platform that the school uses. If this incident results in an exclusion then this would be reported to the school governors at the local advisory board three times per year.

Risk assessments will be amended as and when required to deal with an incident and these would be reviewed and shared annually.

11.2 Members of staff will follow the procedures for recording a disclosure outlined in the school's Safeguarding and Child Protection policy.

12. Parent/s and Carer/s

- 12.1 Parent/s and carer/s will be informed of incidents unless sharing information puts a child at greater risk of harm.
- 12.2 If the child wishes to withhold information from their parent/s or carer/s, competency will be assessed using the Gillick competency and Fraser guidelines (where applicable).⁴
- 12.3 Children will always be encouraged to speak to parent/s or carer/s about peer on peer abuse.

13. Monitoring arrangements

This policy and information report will be reviewed by the named SENCo **every year**. It will also be updated if any changes to the information are made during the year.

It will be approved by The Local Advisory Board.
